Dear Policyholder:

As part of the Biggert-Waters Flood Insurance Reform Act of 2012 and the Homeowner Flood Insurance Affordability Act of 2014 (HFIAA), the National Flood Insurance Program (NFIP) now requires that we provide you with the enclosed "Important Notice to Residential Policyholders."

It is important that you carefully read the attached notice from the NFIP. If you do not provide the documentation requested below within 30 days of this letter, your upcoming renewal premium will reflect the \$250 HFIAA surcharge instead of the \$25 HFIAA surcharge.

If your home is considered your primary residence by the definition above:

1. Provide your _____ with one of the acceptable items of supporting documentation shown on the attached letter within 30 days of this letter; and
2. Inform your _____ of the percentage of time following the policy effective date that you and/or your spouse occupy the property address listed above.

The _____ may visit the website, www.wrightflood.com, to locate the policy on the Primary Residence tab, verify the percentage of residency, and upload supporting documentation. The items listed above may also be sent by email to customerservice@weareflood.com or by regular mail to the address indicated at the top of this letter.

Please consult with your _____ should you have any questions.

Respectfully,

Flood Customer Service

**NATIONAL FLOOD INSURANCE PROGRAM (NFIP)
IMPORTANT NOTICE TO RESIDENTIAL POLICYHOLDERS**

Dear Policyholder:

Section 8 of the Homeowner Flood Insurance Affordability Act of 2014 (HFIAA) requires collection of an annual premium surcharge of \$25 for NFIP flood insurance policies on all primary residences and \$250 for policies on non-residential properties and non-primary residences.

For NFIP rating purposes, a primary residence is one that you or your spouse will live in for more than 50 percent of the 365 days following the policy renewal date. If the property address listed above is your primary residence, lived in by you or your spouse more than 50 percent of the year, the NFIP requires verification of primary residence status through documentation.

To receive the \$25 HFIAA surcharge, you or your agent must **submit one of the following:**

- Driver's license
- Automobile registration
- Proof of insurance for a vehicle
- Voter's registration
- Documents showing where children attend school; or
- Homestead Tax Credit Form for Primary Residence.

If you cannot provide the documentation listed above, you must submit a signed and dated statement to your insurer, as shown on the following page, to verify your primary residence status.

Because this premium surcharge is mandated by law, if you do not provide this documentation within 30 days of the date of this letter, your renewal premium will reflect the \$250 HFIAA surcharge.

Please inform us if the occupancy status changes for this property. If you fail to do so, this may result in voidance of coverage or any other remedies available under law.
