### If It Rains, It Can Flood

The frequency and severity of devastating floods across the United States continues to rise, and wherever it can rain, it can flood.

Flooding events have affected 98% of counties throughout the U.S. Serious flood events happen both inland and along the coasts.

Devastating flooding can occur from heavy rain, snow melt, storm surge, overflowing rivers and broken dams. Even typically dry, fire-prone areas can be at high-risk for flooding. It only takes a few inches of water to cause thousands of dollars in damage to your home, but with Zurich Residential Private Flood's expanded coverage options, you can be protected and recover quickly.

### Zurich Residential Private Flood Insurance features:

- Higher limits – Dwelling values up to \$1 million.
- Replacement cost protection for both Dwelling and Personal Property coverages!
- Optional Loss of use—20% of Dwelling Limit, up to a maximum of \$50,000.
- Optional Other Structures Coverage—10% of Dwelling limit, up to a maximum of \$50,000.
- **NO ELEVATION CERTIFICATE REQUIRED!**
- Flexible payments, including installment options with no waiting periods.

Now is the time to evaluate your flood risk and buy flood coverage to protect your home and family. Call your flood insurance agent today.
