### Wright Flood Policyholders with Damage Urged to Open a Flood Claim Online

During the current flood emergency in Texas and Louisiana, Wright Flood policyholders and agent partners are encouraged to keep their families safe and abide by evacuation and safe return announcements. As soon as possible, when damage is known, please open a flood claim either:

- through [www.wrightflood.com/claims](http://www.wrightflood.com/claims)
- [Wright Flood Customer login](#) or access as a guest
- By email to [floodclaims@weareflood.com](mailto:floodclaims@weareflood.com) include property address and phone contact info.
- by calling your flood insurance agent,
- Wright Flood Claims Dept. by telephone (24 hours): 1-800-725-9472

Please provide a reliable method to reach you by telephone and by mail, especially during any evacuation. As soon as the area is deemed safe, a flood claims adjuster will reach you by telephone to schedule a visit to view your property and assist you in your recovery.

**To open your claim online:** Enter your 14 digit policy number and your property's zip code to complete the initial claim form to include reliable methods to reach you. At completion you will receive a claims number and adjusting company contact information for your future use.

Flood policy resources: The [NFIP Claims Handbook](#) may be a helpful resource, as well as the [NFIP Summary of Coverage](#) and [After the flood factsheet](#). You may reference your [NFIP policy forms](#) at the link or at [www.wrightflood.com/property-owners](http://www.wrightflood.com/property-owners) page.
